

Aurora Medical Center Mount Pleasant Nursing

Aurora Medical Center Mount Pleasant in Mount Pleasant, WI provides safe, equitable and patient-centered health care services to Racine County and the surrounding communities. Since February 2022, the medical center and adjacent medical office building offer inpatient and outpatient care, emergency care, surgical services, and ancillary services including orthopedic and rehab services, sports health, advanced imaging, lab and pharmacy. Aurora Mount Pleasant is a 60-bed licensed, non-profit, acute care hospital. Inside our LEED-Silver certified facility, there are high-tech medical and communication features throughout, from virtual check-in to in-room digital whiteboards displaying information, and patient-controlled room features for hospital stays. Patients receive compassionate, quality care from dedicated teams. The environment and care practices are designed for optimal health and healing at every stage of the health care journey.
