

Advocate Condell Medical Center Nursing

Advocate Condell Medical Center is a 275-bed community hospital and is the only level I trauma center in Lake County, Illinois. Advocate Condell is known for its “Condell Kind” culture of inclusion and positivity with a history of high teammate engagement. Advocate Condell nurses provide safe, high-quality care to the Lake County community and participate in outreach through local events. In 2025, Advocate Condell will be working toward their third American Nurses Credentialing Center (ANCC) Magnet® Recognition and are leading the way in many Advocate Health system initiatives.
